HONORING THOSE WHO SERVED

Written by: Brianna Mackey

Memorial Day, originally known as Decoration Day, is an observed holiday where many Americans pay their respects to those who gave the greatest sacrifice at cemeteries or memorials, hold family gatherings and participate in patriotic parades. For the 13th annual event, Flags for the Fallen, CRU members took it upon themselves to represent our American heroes with the distribution of flags across the National Memorial Cemetery of Arizona. RidersUSA, an avid motorcyclist group founded in 2007, are a positive force in education the public and being a credible voice for those who love America, were the hosts for this event.

Pictured to the right is a member of RidersUSA, expressing his love for veterans and America.

Abortion Laws Spark Controversy in Republican Community

After Georgia's Governor, Brian Kemp signed an Abortion bill, making abortion (after a heartbeat is detected) punishable by one to ten years imprisonment, this resulted in heated debate. Those that argue someone is considered "alive" at the point of conception think that it is up to the mother to make responsible decisions before abortion is remotely an option. While others, believe that most women are unaware of pregnancy at the 6-week mark and shouldn't be held as responsible especially in cases of rape/incest. This touchy subject raises the golden question, "Where will the thin line be drawn between these opinions?"

HOWDY FOLKS! DONATE AT SPOKES!

This May, CRU also held a fundraiser at Spokes restaurant! This was a great way for CRU to get their name out in the open and raise some monet! These donations help us put on events (i.e. debates, welcome speakers, etc.), allows us to advertise for our organization (i.e. banners, t-shirts, pamphlets, etc.), and much more. Please consider donating to CRU at: <https://www.paypal.me/RepublicansUnited> or buy some of our merchandise at: <https://viralstyle.com/store/cru/CRU!>
