DANIEL MCCARTHY FOR SENATE

By Richard Thomas

Daniel McCarthy is an American businessman who lives in Glendale Arizona. Born in 1985 in New York, Daniel is an older Millennial with an amazing life story of success.

After High School, Daniel went straight to work in a small call center where he met his future wife Elexis. The courtship was short and with in three months they were married. Daniel excelled in his job and found himself in a leadership position after six months. He was recruited by the University of Phoenix as an enrollment counselor and was the youngest employee hired by the University at the time. Daniel was promoted to management six months later and was a corporate trainer as well. Within that fifteen month period at the University of Phoenix, Daniel and Lexi purchased their first home and decided they could do a great job selling homes too. History proved them correct. Daniel and Lexi quickly became top agents in the Arizona market.

In 2007 after three years of real estate, they merged their brokerage into West USA Realty and became serial entrepreneurs opening DexLex Realty the Original Make Up Eraser. Today DeLex Realty is ranked #10 in Arizona and his Makeup Eraser is a global sensation with distribution in over 60 countries, more than 10,000 retail locations.

DANIEL MCCARTHY FOR SENATE

I met Daniel McCarthy on a road trip with Eric Sloan and Sue Goodchild to ShowLow AZ to visit their famous Trump store. Along the way I got to know about Daniel's background and believe he deeply cares about the direction of our nation for the sake of his children. Many are calling on him to challenge Martha McSally who lost her last Senate race to a Socialist pandering as a moderate. Martha will most likely lose again to former Republican Mark Kelly. Arizona cannot afford to have two Democrats as Senators. Daniel McCarthy may decide to launch his senate campaign by early August. Expect him at CRU on September 25th.

TEMPE HIT WITH CRU LAWN SIGNS

By Julie Houtman

On July 17th Rick and I spent the afternoon driving around Tempe placing signs around major intersections and popular walking areas at ASU. We plan on placing more signs at Emery Riddle, Northern Arizona University, and Mesa Community College before the school year starts, so be on the look out for the signs!

CRU AT AZRA

By Julie Houtman

The last week of July, I went to an AZRA (Arizona Republican Assembly) meeting. AZRA's focus is to strengthen the Republican party and to promote constitutional conservatives into leadership positions in the state. I got the chance to talk to the members of the AZRA and tell them about CRU and what we do, and how they can help us. The members were very happy to see a movement of young people like CRU and were happy with the work CRU does, especially recruiting new PC's! CRU members are always welcome to come to AZRA meetings in the future, if you are interested, please reach out to me for more details.

ELIZABETH WARREN TOWN HALL IN ARIZONA

By Jill Suzanne

Speaking to a crowd of only 3,000 people at the Marquee Theater, Elizabeth Warren outlined her Socialist agenda for the country. I attended the event and took the following notes...

- Warren believes the American economic system is unfair.
- Climate change is not a hoax and should be seriously addressed.
 - Hates mining and oil companies.
 - Wants to help other countries and USA address the issue of climate change by helping them make better laws and with research and innovation.
- Warren Believes in raising minimum wage because she thinks the wage now is not enough to keep families out of poverty. She says government should ignore corporations and not bend to their will.
- Believes college should be cheaper
- Hates private prisons
- Believes the GOP only cares about the rich/white people
- Believes gov't should care about immigrants more
- Believes gov't is completely corrupt right now because of their bowing to corporations
- Wants to end lobbying
- Wants to block wall street's influence on gov't
- Wants the Supreme Court of the U.S. to be more ethical in their rulings
- Wants the showing of tax info to be mandatory for anyone and everyone who is running for office
- Supports the strengthening of unions
- Wants to fight for middle class because she believes the gov't isn't doing it
- Wants the rich to be taxed higher
 - She wants the money that comes from that higher tax to be put in a fund for universal child care, universal education and universal healthcare
- She believes foreign gov'ts do hack the vote and she wants to stop it
- Believes voter suppression laws exist and that they are racist
- Wants to expand legal immigration
 - Wants to stop the separation of families
 - Wants to make the path to citizenship easier for those who want to live and work in USA
 - Wants to end what she believes is violence perpetrated by Border Patrol
 - Wants to stop what she believes is inhumane treatment towards immigrants at the detention centers
- Believes we need to put more effort into helping other countries who are struggling
- Believes the issue of gun violence has not been properly addressed by the current administration
- Wants universal background checks in the purchasing of guns
- Wants to ban assault/hunting/automatic rifles because she believes they are only weapons for war and not needed for just protection
